**WHERE MEN STOP  
BEING MEDIOCRE**

“

Champions are made  
not born.

Dr. Edwin Louis Cole

**Man Church International is a world wide men's discipleship movement dedicated to the development of men around the globe.**

**Our purpose is to come along side churches to help develop, implement and establish strong Men's Ministries all over the world.**

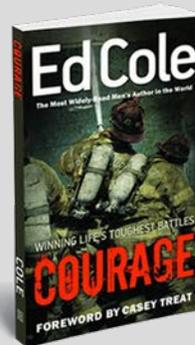

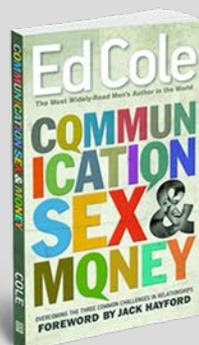

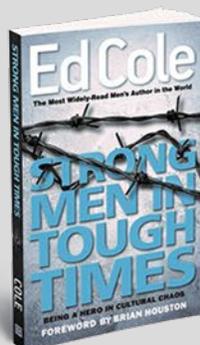

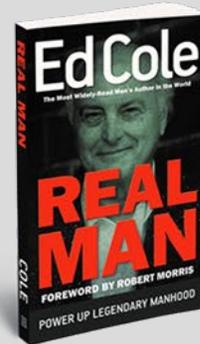

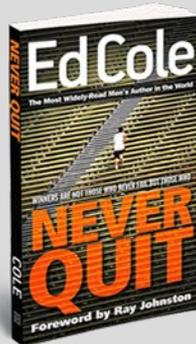

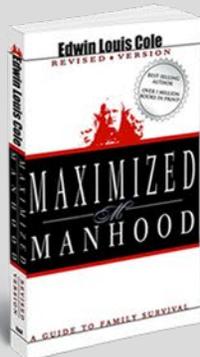

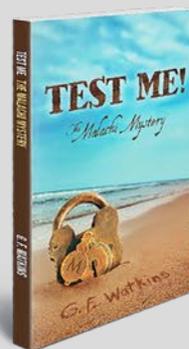

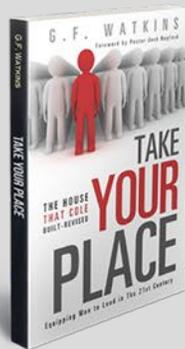

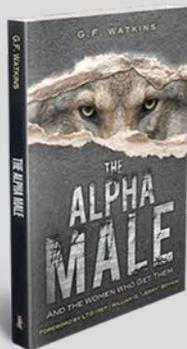

## **COMMISSIONING AT A GLANCE**

The commissioning process at Man Church International is a discipleship model that can be implemented in a church, small group or men's ministry. The process can take anywhere from 1 to 2 years and is designed to be completed with a mentor. During this process the expectation is to see growth in maturity, character, and faithfulness. The idea of a commission is that every person that completes the process is now commissioned to take another person through the same process. Our aim is to make disciples who will then be able to make more disciples.

The Commissioning Process involves the completion of reading 9 books, and completing the corresponding workbooks and essays. It is also designed to be done with a mentor. The mentor is there for guidance, accountability and direction as the candidate goes through the material. Refer to the Commissioning Curriculum section for the book list.

# REQUIREMENTS DURING THE COMMISSIONING PROCESS

- 1 Must Be committed to a local church by Attending, Serving and Tithing
- 2 Must Remain Accountable to Mentor
- 3 Must complete 9 books (workbooks and essays)
- 4 Must be able to purchase all books, workbooks and sword.

# WE CANNOT COMMISSION YOU IF:

- 1 You do not complete the curriculum and assigned work at the assigned time.
- 2 You are unresponsive or unaccountable to the mentor and the commissioning process
- 3 You are not active in a local church
- 4 You are involved in any type of sexual sin, alcohol or drug abuse, in the middle of any court cases such as: foreclosure, divorce, repossessions, taxes, etc.
- 5 Completing the work is not the only qualification needed to receive a sword. We reserve the right to make judgments based on the character of the individual.
